

FOREST LODGE

Forest Lodge is located within the Forest Gate area, close to all main shops and transportation within the Borough of Newham. Forest Lodge is a care home with nursing for adult males with Mental Health, challenging behaviour, and complex needs. It offers a safe and comfortable environment for up to 43 service users who would benefit from a male only service.

This specialist care home with nursing provides a safe, comfortable environment for up to 43 male service users. It caters to adult males with physical health conditions, mental health needs, and neurological or neurocognitive disorders such as Dementia, Huntington's, Korsakoff's and Alzheimer's disease etc. Some service users may present with complex needs, a forensic history, and may be subject to Ministry of Justice restrictions.

The service is divided into three units:

Atherton (ground floor) 14 beds.

Claremont (1st Floor) 16 beds.

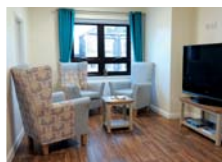

Heartland (2nd Floor) 13 beds

Forest Lodge Care home have a specialist and dedicated team that comprises of registered general and mental health nurses, including a Registered Manager, Operations Manager, Clinical Lead, Senior Nurse, Team Leader, Activities Coordinator and qualified care staff to support our Service Users 24 hours a day. Our unique person-centred approach encourages engagement with family involvement to create a responsive and service user led environment.

Forest Lodge is a purpose-built environment that provides spacious modern amenities, specially adapted open communal spaces and direct access to secure landscaped external garden and grounds. We encourage our service users to personalise their bedrooms with all rooms offering en-suite bathrooms including access to large shared assisted bathrooms, where required.

This purpose-built facility is designed to provide modern amenities for all our service users. Each unit features a communal kitchen, lounge, dining room, and a wet room with disabled access. The bedrooms are bright, spacious, and equipped with en-suite facilities. Additionally, each unit provides easy access to a communal garden for all residents.
