

GLENHURST LODGE

Glenhurst Lodge, located in Maidstone, is just a short walk from the town centre and offers excellent transport links. Both Maidstone East and Maidstone West train stations are within a 10-minute walk, making it easily accessible. There are numerous parks within walking distance, both Vinters Park and Mote Park are minutes away. The town boasts a range of shops, cafes and restaurants. There are numerous place of worship throughout the town. The service also offers visitor parking.

This specialist care home with nursing provides a safe, comfortable environment for up to 23 male service users. It caters to adult males with physical health conditions, mental health needs, and neurological or neurocognitive disorders. Some service users may present with complex needs, a forensic history, and may be subject to Ministry of Justice restrictions.

At Glenhurst Lodge, we focus on supporting individuals with complex and challenging behaviours who may require nursing care. Our approach is centered on providing assistance for those who may struggle with information processing, independent functioning in the community, and need extra support with daily living tasks, all within the least restrictive environment.

The service is divided into two units:

Chartwell Unit (ground floor) 11 beds

Bletchley Unit (first floor) 12 beds

Virginia House Vinters Road Maidstone Kent ME14 5DX

Our service is equipped to support individuals who are subject to Ministry of Justice (MoJ) restrictions, Community Treatment Orders (CTOs), Deprivation of Liberty Safeguards (DoLS), or those on Licence as directed by the Parole Board. As a care home with 24-hour nursing support, we cater to a variety of health needs, including PEG care, catheter care, urostomy and colostomy management, pain management related to palliative care, and tissue viability care.

Referrals typically come from general hospitals, mental health hospitals, neuro-rehabilitation centres, older persons' mental health services, or community services where placements have broken down due to challenging behaviours.
